

# Student Chapter of the American Veterinary Medical Association

The University of Georgia College of Veterinary Medicine Athens, GA 30602

# S

## What is SCAVMA?

SCAVMA is a student-run organization that acts as the governing body for student issues within the College of Veterinary Medicine at the University of Georgia and the umbrella organization for all of the student professional organizations. SCAVMA's goal is to enhance student learning while enabling the College of Veterinary Medicine to better serve the Athens community. SCAVMA also funds all of the student clubs within the college, such as the Canine Club and the student chapter of the American Association of Equine Practitioners. Additionally, SCAVMA sponsors seminars, speakers, conferences, and learning opportunities that enable students to enhance their education outside of the classroom. SCAVMA also provides annual scholarships for outstanding veterinary students, funds student veterinary projects that serve the Athens community, and gives thousands of dollars each year to the Veterinary Teaching Hospital of the University of Georgia.

## How can you help?

**On January 28<sup>th</sup>, 2012 SCAVMA will hold its largest fundraiser, the annual auction at the UGA Tate 2 Student Center Grand Hall.** The student body and faculty of the College of Veterinary Medicine, their friends and family, members of the Athens community, and many members of the Georgia Veterinary Medical Association from around the state attend the SCAVMA auction. Items for the auction comprise of donations from within the college, from various veterinary food and drug corporations, and from businesses in the Athens community. Currently, we are accepting donations and would greatly appreciate any contributions that you wish to offer. In years past, donations have included merchandise, services, gift cards, etc.
